If necessary, use supplementary sheets for any further partners.

The partners named intend to submit a proposal on a joined transnational cooperative project within the scope of the operational programme of the Free State of Saxony for the ESF-funding period 2007-2013 and to jointly implement this project when successfully endorsed.

Project description

brief description in keywords

Hereby the partners confirm their intention to cooperate and work together on the planned project and to achieve the project objectives. The partners formulate a Transnational Agreement settling the further cooperation among each other.

formulation of the Transnational Agreement by (dd.mm.yyyy)
